Arise and Shine

Arise, shine, for your light has come, and the glory of the LORD rises upon you.

Through an exploration of Isaiah 60, workshop participants will take a multi-sensory journey through the depths of the mind, soul and spirit, progressively identifying and moving out of shadowed areas and further into the light of God and His Radiance. This workshop will be a visual, auditory, and tactile exploration of the glory of God. As we engage the scriptures through music, movement, and the mixed-media project, participants will symbolically and prophetically experience the transformation of moving out of darkness and into light. Though mixed-media techniques will be obtained, the focus is on the journey. "Out of the heart comes the art... so I want to help your heart shine," says Pattie Ann Hale.

The cost of the workshop includes a birch panel, specific fabrics, select papers, and various other collage elements, which will make up the mixed-media project. All materials and tools, including paints, paintbrushes, markers, pencils, adhesives etc. will be provided. The participant does not need to provide anything for this workshop but is welcome to bring additional personal collage materials and supplies if so desired.

Guest Artist series workshops will be held at Adore HIM Creations studio. Class size is limited to 12 students and requires a 50% deposit due by 2/1/12. Final payment is due 2/11/12. A gourmet lunch is included.
